

**Client Relationship Summary  
Parks Capital (CRD# 138121)**

**Introduction**

Our firm, Ralph Parks Investment Group, LLC dba Parks Capital, is registered as an investment adviser with the U.S. Securities and Exchange Commission. Brokerage and investment advisory services and fees differ and it is important for you to understand these differences. Free and simple tools are available to research firms and financial professionals at [Investor.gov/CRS](http://Investor.gov/CRS), which also provides educational materials about broker-dealers, investment advisers, and investing.

**Relationships and Services**

**What investment services and advice can you provide me?**

**Services:** We offer investment advisory services to retail investors. These services include wealth management which is a combination of financial planning and investment management. We work closely with you to identify your investment goals and objectives, as well as risk tolerance and financial situation in order to develop an investment approach.

**Accounts, Investments, and Monitoring:** We provide services to individual, joint, retirement, trust and estate accounts. We primarily use domestic equity securities, exchange-traded funds, and fixed income securities in constructing portfolios. We may also use mutual funds and options. We do not make available or offer advice with respect to only proprietary products or a limited menu of products or types of investments. As part of our standard wealth management services, we monitor portfolios and securities in accounts on a regular and continuous basis. We also meet with you at least annually, or more frequently, depending on your needs.

**Investment Authority:** We provide our services on a perpetual and discretionary basis. We execute investment recommendations in accordance with your investment objectives without your prior approval of each specific transaction. Our engagement will continue until you notify us otherwise in writing.

**Account Minimums & Other Requirements:** We generally require a minimum account size of \$500,000 in order to effectively implement our investment process. This amount may be waived or reduced at our sole discretion.

**Additional Information:** For more detailed information on our relationships and services, please see Item 4 – Advisory Services, Item 13 – Review of Accounts and Item 7 – Types of Clients of our Form ADV Part 2A available via our firm's [Investment Adviser Public Disclosure Page](#).

**Conversation Starters:** *Given my financial situation, should I choose an investment advisory service? Why or why not? How will you choose investments to recommend to me? What is your relevant experience, including your licenses, education and other qualifications? What do these qualifications mean?*

**Fees, Costs, Conflicts, and Standard of Conduct**

**What fees will I pay?**

**Asset-Based Fees:** Our asset-based fees for wealth management are at a rate of 1.50% annually. This fee is collected quarterly and calculated as a percentage of the value of the cash and investments in your account[s] that we manage. This presents a conflict of interest as we are financially incentivized to encourage you to place more assets in your advisory account as you will pay more in advisory fees.

**Other Fees & Costs:** In addition to our advisory fee, you will also be responsible for management fee expenses related to mutual funds and exchange-traded funds to their shareholders and applicable transaction fees.

**Additional Information: You will pay fees and costs whether you make or lose money on your investments.** Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying. For more detailed information on our fees, please see Item 5 – Fees and Compensation of our Form ADV Part 2A available via our firm's [Investment Adviser Public Disclosure Page](#).

**Conversation Starters:** *Help me understand how these fees and costs might affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs, and how much will be invested for me?*

**What are your legal obligations to me when acting as my investment adviser?  
How else does your firm make money and what conflicts of interest do you have?**

*When we act as your investment adviser, we have to act in your best interest and not put our interests ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the investment advice that we provide you. Here is an example to help you understand what this means.*

Some of our financial professionals are licensed as insurance agents. In addition to our services, your financial professional can offer you insurance products in their separate capacity as an insurance agent. The fees charged for the implementation of insurance products are separate from our advisory fees, where your financial professional will earn commission-based compensation for the implementation of an insurance product. Therefore, we have a financial incentive to recommend that you implement insurance through our financial professionals.

**Additional Information:** For more detailed information, please see Item 10 – Financial Industry Activities and Affiliations, Item 12 – Brokerage Practices and Item 14 – Client Referrals and Other Compensation of our Form ADV Part 2A available via our firm's [Investment Adviser Public Disclosure Page](#).

**Conversation Starters:** *How might your conflicts of interest affect me, and how will you address them?*

**How do your financial professionals make money?**

Our financial professionals, whom are also Partners of the firm, are compensated based on an agreed-upon annual salary. Additionally, any revenue that exceeds the salary and operational expenses is distributed to the Partners in accordance with our partnership agreement. This means our financial professionals have an incentive to increase the asset size in the relationship or solicit new business, taking time away from the day-to-day servicing of existing clients.
